

## CP3 Circulator Pump Head Adapter

Product Code : MI012C

Introducing the CP3 Circulator Adapter, designed to work seamlessly with heating system power flushing pumps. This innovative adapter allows for direct connection onto the housing of many heating system circulator pumps after the circulator head has been removed,

Its compact dimensions ensure effortless connection of a power flushing pump, even in boilers with the circulator enclosed within the casing, such as combination and system boilers. Say goodbye to the difficulties of access and non-standard connections with the CP3 adapter.

## Product Features

- Replaces the circulator pump head for quick and easy connections onto 22mm pipework.
- Comes with 2 x 0.5m adapter hoses that make it a simple connection to the power flushing machine.
- Connects directly onto most combination boiler pump housings, either wall mounted or floor standing.
- Avoids the need to disconnect corroded or seized pump gate valves.
- Allows for flushing of the primary water side of a combination boiler heat exchanger without removal.

### Which heating circulators will fit the CP3 ?

- Grundfos UPS/ UPS2/ UPS3 & UPM3
- Wilo Gold/ Yonos Pico / Yonos Para
- Xylem EcoCirc
- ArcherGas / Britherm / Stuart Turner

## Product Specification

**Material :** Polypropylene Construction

**Connections :** 3/4" Brass / 3/4" PVC

**Hose Lengths :** 2 x 0.5m

**Weight :** 1.4kg

**Dimensions W x D x H (mm) :** 230 x 210 x 180mm.

**Warranty :** 1 year warranty

**Barcode/EAN Number :** 506013459 6072

**Hose End Fittings :** 3/4"

The CP3 Circulator Pump Head Adapter comes packed in a easy to carry plastic container.
